MEMORANDUM FOR RECORD

SUBJECT: 9<sup>th</sup> Regional Support Command Environmental Management System (EMS) Policy Statement

1. The 9<sup>th</sup> Regional Support Command (RSC) Army Reserve Installation Management, in consideration of compliance with Executive Order 13148 has developed the following policy statement:

In order to assist in the maximization of present and future mission readiness and the protection of the environment, the 9<sup>th</sup> RSC Army Reserve Installation Management is committed to the accomplishment of:

- Compliance with all applicable federal, state, territorial, local, Army, and other environmental requirements.
- Consideration of environmental impacts in order to reduce impacts on the environment and enhancement of mission readiness.
- Strive for the reduction of pollution and the use of hazardous materials in order to ensure facilities sustainability in the event of a deployment, and
- The continual improvement of the management system in order to enhance mission readiness and reduce the environmental concerns during military activities.
- Allocate resources and provide appropriate training and educate employees to be environmentally responsible on the job.

2. The point of contact for this office is Mr. Wayne Mitsko (808)438-1600 ext 3247.

A handwritten signature in black ink, appearing to read "Gerald G. Gibbons".
